Co-financing Statement and Declaration on Administrative and Financial Capacity and on Legal status by the Legal Representative of the Lead Applicant Organisation

I, the undersigned, representing <Lead Partner>

request from the Managing Authority (MA) an ERDF contribution of 0,00 EU with a view to implementing the action that is the subject of this project proposal.

I declare that:

- I am authorized by my organization to sign the Application Form on its behalf;
- All information contained in this application is correct to the best of my knowledge;
- The organization's representative or delegate is available to participate in the call for proposals;
- The organization is represented by a...

The organization has the required capacity to complete the prepared actions in particular:

- The necessary financial commitment is adequate to the organization's size and capacity;
- It has the capacity of providing a decently systematic and considerable amount (e.g. investments);
- Expected delays in ERDF reimbursement will not undermine the organization's capacity of implementing the foreseen actions within the project;
- Its financial involvement in the project does not undermine the organization's daily activities.

The organization has the administrative capacity to complete the prepared actions in particular:

- It has enough internal human resources to ensure smooth project management and coordination, and the timely performance of the prepared actions. In the absence of these, additional necessary resources are properly included in the project budget;
- It has appropriate infrastructure and tools to ensure the effective performance of the prepared actions;
- Its administrative involvement in the project does not undermine the organization's daily activities.

All parts of this proposal comply with the rules on beneficiaries as stated in Reg. (EC) No 1000/2004, 1003/2004 and No 102/2004 and their amending acts.

Certify that the organization represents:

- It is not bankrupt, being liquidated, or having its affairs administered by the courts, has not entered into an arrangement with creditors, has not suspended its legal activities, is not the subject of a procedure or a conciliation, there matters, nor is it in any analogous situation arising from a similar procedure provided for in national legislation or regulations;
- Has not been convicted of an offence concerning its professional conduct by a judgment which has the force of 'res judicata';
- Has not been convicted of an offence concerning its conduct proven by any means which the Contract Authority can justify;
- Has fulfilled its obligations relating to the payment of social security contributions or the payment of taxes in accordance with the legal provisions of the country in which it is established;
- Has not been the subject of a judgment which has the force of 'res judicata' for fraud, corruption, involvement in a criminal organization or other illegal activity detrimental to the Community's financial interests;
- Following another procurement procedure or grant award procedure financed by the Community budget, has not been declared to be in breach of contract for failure to comply with its contractual obligations granted in Article 93(1) of Reg. (EC) No 1405/2002 and its amendments.

I acknowledge that:

- The organization represents will not receive ERDF funds if it finds itself, at the time of the grant award procedure, in contradiction with any of the statements certified above, or is guilty of misrepresentation in supplying the information required by the MA's condition of participation in the grant award procedure or has failed to supply this information;
- In the event of this application being approved, the MA has the right to publish the name and address of this organization, the subject of the grant and the amount received in the state of funding.

Confirm that:

In the event of project approval the organization represents commits itself to the operation, and will provide: 0,00 EUR an action co-financing to the CENTRAL EUROPE project's budget.

The specific action listed in this project proposal have not received any other aid from the Structural Funds or other Community financial instruments. In the event that any such funding is received after the submission of this proposal during the implementation of the project, my organization will immediately inform the MA.

By signing this I confirm that the proposed project is in line with the relevant EU and national legislation and policies of all countries involved.
